This is the end, beautiful friend
This is the end, my only friend
The end of our elaborate plans
The end of everything that stands
The end, no safety, no surprise
The end, I'll never look into your eyes again

Can you picture what we'll be
So limitless and free
Desperately in need of some stranger's hand
In a desperate land?

Lost in a Roman wilderness of pain
And all the children are insane
All the children are insane
Waiting for the summer rain

There's danger on the edge of town
Ride the King's highway, baby
Weird scenes inside the gold mine
Ride the highway West

Ride the snake
Ride the snake to the lake
The ancient lake
The snake is long, seven miles
Ride the snake

He's old and his skin is cold
The West is the best
The West is the best
Get here and we'll do the rest
The blue bus is calling us
The blue bus is calling us
Driver, where're you taking us?

The killer awoke before dawn
He put his boots on
He took a face from the ancient gallery
And he walked on down the hall

He went to the room where his sister lived

And then he paid a visit to his brother
And then he, he walked on down the hall
And he came to a door and he looked inside
"Father?", "Yes, son?"
"I want to kill you, mother, I want to"

Come on, baby, take a chance with us
Come on, baby, take a chance with us
Come on, baby, take a chance with us
And meet me at the back of the blue bus

This is the end, beautiful friend
This is the end, my only friend
The end, it hurts to set you free
But you'll never follow me
The end of laughter and soft lies
The end of nights, we tried to die
This is the end
