### VERSE 1:

I'm riding in my car and I'm going out, out, out..  
Feels like I'm 16 again, nothing can stop me now, now,  
now..  
Yeah, tonight I don't care, cause I'll be working a week  
yeah.  
Yeah, tonight I'm just gonna, Have fun, have fun, have  
fun...

### CHORUS:

I'll bet you never wanna see me groove like this  
Wanna move like this, dancing till the sun comes up  
Nothing in this world can stop me now  
I'ma stay in this moment

I bet you never wanna see me groove like this  
Wanna move like this, dancing till the sun comes up  
Nothing in this world can stop me now  
I'ma stay in this moment  
Stay in this moment now...

### VERSE 2:
