In The Morning -Bridget Kelly
Woah woah woah 3x
Me and my pride
We went out last night
And drink and as if I just heard my last rights
(As if)
tomorrow I was up for execution
(Execution)
16 shots, one in the chamber
And I don't mean fire arms
I mean the kind of drunk that make you do it before you
know what you doing
(What you doing)
I waited til my pride past out in front of me
(In front of me yeah)
And then I picked up my phone for some stupidity
Yeah
The clock on the wall say six twenty three... A... M
I got a phone call to make
(Uh huh)
Before my pride is awake
(Uh huh)

Ohhh
Cuz I can only say it when I'm drunk
Normally my pride want let me
I can only tell him how I really feel
Once I get a few drinks in me
I love him
(Love him)
I love him
(Love him)
I love him
But I can only say it when I'm drunk
Drunk
Hay and I'll deny it in the morning
(In the morning, in the morning yeah)
I'll deny it in the morning
(In the morning, in the morning yeah)

Damn my head is banging
What the hell did I do last night

What the hell did I say last night
Messages on my phone from him
But most of these are from his girlfriend
Damn how many times did I call
I don't remember calling at all
I messed up this time
I think I need a drink
Yeah
A bottle and half later
(Uh huh)
I'm feeling a lot better
(Uh huh)
My pride past out again
Just like that
Where my phone at

Cuz I can only say it when I'm drunk
Normally my pride want let me
I can only tell him how I really feel
Once I get a few drinks in me
I love him
(Love him)
I love him
(Love him)
I love him
But I can only say it when I'm drunk
Drunk
Yeah and I'll deny it in the morning
(In the morning, in the morning, yeah)
I'll deny it in the morning
(In the morning, in the morning, yeah)
I'll deny it in the morning

This might be the liquor talking
But I'm in love with you
I don't care what your girlfriend do
Ooohhh

Cuz I can only say it when I'm drunk
Normally my pride want let me
(Want let me)
I can only tell him how I really feel
Once I get a few drinks in me
I love him
(Love him)
I love him
(Love him)
I love him
But I can only say it when I'm drunk
Drunk
Yeah and I'll deny it in the morning

Yeah yeah yeah hay
I'll deny it in the morning
I never said it though
I'll deny it in the morning
