Verse 1:

Was suffocating, and then you gave me life
And now I crave for, for only you inside
Can't put my thumb on exactly how I feel
It's unfamiliar, but pleasantly surreal

Chorus:

Keep putting smiles on my face, I'm constantly amazed
by what you do
And I can't keep up with my heart, It's beating me into
someone brand new
I love how you just know how bad I need to take this
slow
Like I'm a Stranger to Love

Verse 2:

Pushed all my strength and managed to kiss me weak
You woke up the woman, and put the girl to sleep, heyy

Chorus:

Keep putting smiles on my face, I'm constantly amazed
by what you do
And I can't keep up with my heart, It's beating me into
someone brand new
I love how you just know how bad I need to take it slow
Like I'm a Stranger to Love

Bridge:

Everyday I get down on my knees and pray baby I'm
thanking God, for sending
You to me
And It's only getting better, better, never knew love
could take me this
Farr

Chorus:

You keep putting smiles on my face, I'm constantly
amazed by what you do...
And I can't keep up with my heart, It's beating me into
someone brand new
I love how you just know how bad I need to take this
slow

And how only see beautiful, beautiful in me
You could have any woman in this world, but you chose
me, me, meee
Showed me how to let go, but I'll never let go of you
baby
Any woman in this world, but you chose meee, yeahh
Showed me how to let go, but I'll never let go of you
baby ay ay ay ayeee

Was suffocating, and then you gave me lifeee
