(Verse: Kendrick Lamar)

Take a trip with a narcoleptic  
Suffered insomnia but this time it was only seconds  
I seek the mom of this boy has you lay in the desert  
Of eternal fire, hatred denied yourself of a blessing  
Meanwhile I'm on a new cloud chucking the deuce  
With new vows with sinners homies enemies too  
Gold town under my feet clicking the flute  
With a thousand troops ripping pot root  
Nigga woop woop  
Love by the pen door, doves out the pen door  
They fly to this end zone that men don't depend on  
So listen homie, you miss me with that bullshit  
I keep my distance homie, I'm on the higher pulpit  
You cannot fix it homie  
I mean the beauty of heaven is far from me not to exit  
It's like an anti depressant  
You see the vision homie, I mean this godly advice  
Fuck it right, even if you pinch me twice yes, I'll  
Keep dreaming

(Verse)

Lovely lullabies  
I don't see another thing but starry skies  
And loads of clouds beneath my wings and endless  
skies  
As far as hazy eyes can see the sun will rise  
And illuminate this life, (this life)  
Oh why (oh why), Do I (do I)  
Have to return to reality?  
(Oh why) this time (this time)  
I'll try (I'll try)  
I'll try not to wake up from this dream.

(Chorus)

(Street dreamin' if I keep on believing)  
I won't wake up from this dream  
(Street dreamin' if I keep on believing)  
I can't wake up from this dream  
(Street dreamin' if I keep on believing)  
I won't wake up from this dream

(Street dreamin' if I keep on believing)  
(Street dreamin')

(Verse)

I will not forget  
Fixating upon a face I've never met  
Explaining away all the reasons as I slept  
So beautiful in here I wish I'd never left  
I never know which one's a lie (this life)  
Oh why (oh why), Do I (do I)  
Have to return to reality?  
(Oh why) this time (this time)  
I'll try (I'll try)  
I'll try not to wake up from this dream.

(Chorus)

(Street dreamin' if I keep on believing)  
Said I won't wake up from this dream  
(Street dreamin' if I keep on believing)  
Said I won't wake up from this dream  
(Street dreamin' if I keep on believing)  
No no no no won't wake up from this dream  
(Street dreamin' if I keep on believing)  
(Street dreamin')

(Bridge)

I won't open my eyes again  
I'll keep them shut  
I won't open my eyes again  
I'll keep them shut  
I won't open my eyes again  
I'll keep them shut  
I won't open my eyes again  
I'll keep them shut

(Outro)

I won't wake up from this dream  
(Street dreamin' if I keep on believing)  
I won't wake up from this dream  
(Street dreamin' if I keep on believing)
