All rise

The Honorable Judge Gideon residing

Case # 0007

The People vs. Bridget Kelly

Ms. Kelly how do you plead

If I may throw myself upon the mercy

The mercy of the jury of the court

This all was just a big misunderstanding

I'll start from the beginning

And lead us to the spot

No foul play or no plot

I heard noises coming from upstairs when I walked into  
my house

No one was 'posed to be there

Strictly for protection purposes wass when I pulled my  
gun out

Emptied the clip

And realized that

Oh no, I didn't mean to shoot him dead

(White lies, white lies)

I didn't mean to kill him and whoever he was in bed  
with

(White lies, white lies)

Of course I know what this looks like to you

I caught that motherfucker cheating

So I gave him just due

But I promise that's not true

How was I supposed to know that it was him and not  
some murderous fool

The fact that he was cheating

Judge I promise it had nothing to do

With why I reloaded twice

I was scared everything happened so fast

It was dark, I could barely see anything

By the time I could make out who it was

They were screaming, bleeding

And all I could say was

Oh no, I didn't mean to shoot him dead

(White lies, white lies)

I didn't mean to kill him and whoever he was in bed  
with

(White lies, white lies)
