It's all lies out the gate I snuck up fast,  
I'm losing everything that I thought would always last  
So now I lie waiting for a cure  
To this poisoned and diseased  
Mind I thought that had my back  
Now I'm giving up, God help

I've been falling apart  
Self distractive at heart  
It's ok, it's ok if you hate me  
I've been living my death  
Over and over again  
It's ok, it's ok if you hate me  
'Cause I hate me  
(It's ok if you hate me)

Am I blind?  
I'm letting myself slip away  
I'm losing every chance I get to keep myself the same  
So now I hide I keep my secrets locked inside  
I'll sever out the truth so the world can see my lies  
Now I'm giving up, God help

I've been falling apart  
Self distractive at heart  
It's ok, it's ok if you hate me  
I've been living my death  
Over and over again  
It's ok, it's ok if you hate me  
'Cause I hate me

I'll slit my throat, so I'll bleed the truth  
Cut out my tongue so I speak no excuse  
There's enough trash in this blood to pallet you  
And I'm just a fuck

Hate me, hate me, hate me  
I'm just a fk so just hate me  
Hate me, hate me

(It's ok if you hate me)

I've been falling apart  
Self distractive at heart  
It's ok, it's ok if you hate me  
I've been living my death  
Over and over again  
It's ok, it's ok if you hate me  
'Cause I hate me

Hate me, hate me, hate me  
I'm just a fu#k so just  
Hate me, hate me, hate me  
I'm just a fu#k so just  
Hate
