Monsters and bed sheets to creep.  
While underneath my bed.  
It hears me speak about these problems.  
I've yet to find these monsters read my mind.  
With ears and eyes to paralyze demise.  
Tell me how can I contain everything inside.

Slow down! Do you wanna slow down?  
In the moment that you start to fall,  
You're comfortable.

Devils come out at night.  
In the form of people that I love  
They said I'm not enough.  
Well factual this has become into something so  
understandable,  
So understandable!  
Help me out!  
Tell me how can I contain everything inside.

Slow down! Do you wanna slow down?  
In the moment that you start to fall,  
You're comfortable.

Slow down! Do you wanna slow down?  
In the moment that you start to fall,  
You're comfortable?

So comfortable,  
So comfortable,  
You, you say you're comfortable,  
Un-until your hands are full  
For, for that familiar pulse of that they feelings aren't  
enough

Slow down, Do you wanna slow down?  
In the moment that you start to fall!  
You're comfortable?  
Slow down! Do you wanna slow down?  
In the moment that you start to fall, start to fall.  
You're comfortable.

You're comfortable.  
You're comfortable!

Oh you, you say you're comfortable!  
You, don't you tell me you...  
Yeah you... you say you're comfortable!
