(Bernd Meinunger/Ralph Siegel) adaptation anglaise  
Paul Greedus

Just like a flower when winter begins,  
just like a candle blown out in the wind  
Just like a bird that can no longer fly,  
I'm feeling that way sometime

But then, as I'm falling, weighed down by the load,  
I picture a light at the end of the road  
And closing my eyes, I can see through the dark  
the dream that is in my heart

A little lovin', a little givin'  
To build a dream for the world we live in  
A little patience and understanding  
For our tomorrow, a little peace  
A little sunshine, a sea of gladness  
To wash away all the tears of sadness  
A little hoping, a little praying  
For our tomorrow, a little peace

I feel I'm a leaf in the November snow,  
I fell to the ground, there was no one below  
So now I am helpless, alone with my song,  
just wishing the storm was gone

A little lovin', a little givin'  
To build a dream for the world we live in  
A little patience and understanding  
For our tomorrow, a little peace  
A little sunshine, a sea of gladness  
To wash away all the tears of sadness  
A little hoping, a little praying  
For our tomorrow, a little peace

We are feathers on the breeze  
(A little lovin', a little givin')  
(To build a dream for the world we live in)  
Sing with me my song of peace  
(A little patience and understanding)

(For our tomorrow, a little peace)  
We are feathers on the breeze  
(A little lovin', a little givin')  
(To build a dream for the world we live in)  
Sing with me my song of peace  
(A little patience and understanding)  
(For our tomorrow, a little peace)
