My friends all say
I should give you a second chance
I don't know if
I'm gonna go through with that

CHORUS:
Cuz you've hurt me once
Whose to say you won't do it again
You broke my heart
And left me standing out in the rain

I think that if
I gave you another chance
It would
Fix the friendship that we had

But I don't know
Cuz I don't know you anymore
How am I to be sure
That you're still the way you were
CHORUS

I'm sorry
I didn't give you a second chance
Cuz now I've
Lost the best friend that I've ever had

I wish I'd
Have given you another chance
I guess I was just too afraid
To open up my heart and talk to you

Cuz you've hurt me once
Now I know you won't do it again
You won't break my heart
And leave me standin out in the rain
