why why why why

am i listening to a woman who aint got no man

why should i listen to u

so i can be like you

being alone in this world like u

chorus:

why should i listen to u

i should listen to myself

and my keep my relationship without your mouth
running

my man away from me cant go for that

you telling me that my man is cheating on me

i can go for another woman words about my man

who aint got no man in eye

i whether believe my man than u

why u all in my relationship

chorus

if i listen to u my man gonna leave

like your man left u

running your mouth about my man
