Missy: Yo

Nicole:

(mmm) You know (mmm)

I don't know what's up with this cat

But I know

I know he's gonna be mine

Missy:

Yes I'm the supa dupa

I'm the superstar

I got a super flow

That goes super far

I need a super man

That's got a super tan

That can deactivate my body like the super friends uh

huh

Nicole (Missy):

Was the finest guy in school (say what)

He got the whole damn school locked

And I thought he was cute (uh huh)

Wanna see, I had to stop

Boy how are you? (uh)

And by the way, Nicole is my name

So I slipped him my number showed him how us began

(hey yo freaky freaky uh)

Chorus:

Call me

If you need someone to talk to

Call me

Even though I'm seventeen

Call me

When you need someone to talk to

Call me

Call me

Nicole (Missy):

(Brrr mmm)

He was only seventeen

And I was checkin' him everyday

And he's no beginner

He made me hot like filled with me

I gotta find a way

To keep all his attention to me

So I slipped him a paper told him hit me off at three,
hey

(uh call me)

Chorus

Nicole:

(Yes I know I really want him) Really want him

(Yes I know I really need him) Really need him

(Yes I know I gotta have him) Gotta have him

(You can call me up in the evening) Call me up

(Yes I know I really want him) Really want him

(Yes I know I really need him) Really need him

(Yes I know I gotta have him) Gotta have him

(You can call me up in the evening) Ooh yeah

Chorus

Nicole (Missy):

(Nicole) So what the sunshine

What's yours is mine

You won't succeed without tryin'

Never blind

See I'm the type of female to hold on

Like deodorant I roll on

And gets my flow on (uh huh)

I'm livin' in reality

Respect me

My image is not a pocket book

And I won't get took

Girls get shook when they look

My style is John Blaze (John Blaze)

So I'ma make it hot and leave somebody in a daze

My age is seventeen

Call me

My age is seventeen

Missy (Nicole):
