Twining our life together  
Climbing up our Everest  
Raising my eyes I wonder  
How you feel your emptiness  
So let me provide you with a smile, a smile of  
Happiness  
So let me provide you with a smile, a smile of  
Happiness

Close your door  
Crying over it  
Close your door  
Crying over it

Close your door...  
... have you ever been alone?

Shining the light I tire  
Climbing up our Everest  
Setting aside my anger

Watching you with innocence  
So let me provide you with a smile, a smile of  
Happiness  
So let me provide you with a smile, a smile of  
Happiness

Close your door  
Crying over it  
Close your door  
Crying over it

Close your door  
Crying over it  
Close your door  
Crying over it

Crying over it  
Crying over it  
Crying over it  
Crying over it

Crying...

Twining our life, I wander
