Come and take me I know your name  
It's been the same, insane  
I'll wave to you goodbye  
Come and save me I know your name  
It's been the same a game  
I'll play with you somehow

The answer to  
The answer to my lonely questions

How?

Now kill  
This nothingness you've left me  
Here, I'll close my eyes  
And the emptyness is still  
With me and you  
Kill  
This nothingness you've left me  
Here, I close my eyes  
And the emptyness is all  
I feel and know  
Come and take me I know your name  
It's been the same, insane  
I'll wave to you goodbye
