Oh no, they're after me again  
I have to hide I'm scared of them

Oh no, they're after me again  
I have to hide I'm scared of them

You might be the one  
How should I know  
I'll drown you with wine  
And tear you apart  
I'm wondering why  
They come back again  
It's always the same, it's always the same...

Oh no, they're after me again  
I have to hide I'm scared of them

Oh no, they're after me again  
I have to hide I'm scared of them  
I have to hide I'm scared of them  
I have to hide I'm... scared...

Is all your moment spent  
Remember that I know the truth  
That seems to fade in awful harmony

Is all your moment spent  
Remember that I know the truth  
That seems to fade in awful harmony
