"You"

Iâ€™m taking nothing but you, you and you
Your silence messes me up
Thereâ€™s nothing new about you, you and you
But Iâ€™m still with you...

If I make up feelings for you, you and you
This smell will shut you up
And I would still be with you, you and you
When youâ€™re still with...

Doesnâ€™t matter what you do
I would blame myself for you
Come and fill me up
Come and tear me down
Iâ€™m sure youâ€™ve seen it all, too
I would blame myself for you

My hands are all over you, you and you
Your numbness messes me up
Thereâ€™s nothing sane about you, you and you
But Iâ€™m still with you...

Doesn't matter what you do
I would blame myself for you
Come and fill me up
Come and tear me down
I'm sure you've seen it all, too
I would blame myself for you

Please come to the river side
And you'll see
Nothing Hill will make it alright

Come to the river side
And you'll see
Nothing Hill will make it alright
We'll make it alright

Make it alright
Make it alright

Doesn't matter what you do
I would blame myself for you
Come and fill me up
Come and tear me down
I'm sure you've seen it all, too
I would blame myself for you

For you... for you... this is for you...
This is for you...
