So sick of the pain
I can't believe you left me, left me
I guess I'm better alone
So sick of my job
I think I'm gonna quit that
It's time to get up and go

Do something new
Do what I love
I'll live my life the way I wanna live it
Nothing they do could ever bring me down
'Cause it's a lovely day

Believe in love
See the love
Free the love
It's a lovely day
Don't stop no
Don't, don't stop no
There's no stopping the love
'Cause it's a lovely day

Free the love
You see the love
Release the love inside
And it's a lovely day
Even though you're feeling low
You'll find
You know it's just a lovely day

Around the world now
We're giving love to everybody
Now it's going down today
Don't stop no
Don't, don't stop no
There's no stopping the love
'Cause it's a lovely day

Yeah it's a lovely day
If you liked it you're gonna be OK
Tell the pain goodbye

Enjoy your life or it will pass you by
Why do you feel so low
Every storm follows the rainbow
Real love no price tag
It's up to you if you want a lovely day

Your life has only begun
And you are perfect just the way you are
Don't let them take that away
What's meant to be's gonna be
So know that I believe in you
'Cause it's a lovely day

Believe in love
See the love
Free the love
It's a lovely day
Don't stop no
Don't, don't stop no
There's no stopping the love
'Cause it's a lovely day

Free the love
You see the love
Release the love inside
And it's a lovely day
Even though you're feeling low
You'll find
You know it's just a lovely day

Around the world now
We're giving love to everybody
Now it's going down today
Don't stop no
Don't, don't stop no
There's no stopping the love
'Cause it's a lovely day

Free the love
You see the love
Release the love inside
And it's a lovely day
Even though you're feeling low
You'll find
You know it's just a lovely day

Don't stop no
Don't, don't stop no
There's no stopping the love
'Cause it's a lovely day

Free the love
You see the love
Release the love inside
And it's a lovely day
Even though you're feeling low
You'll find
You know it's just a lovely day

Around the world now
We're giving love to everybody
Now it's going down today
Don't stop no
Don't, don't stop no
There's no stopping the love
'Cause it's a lovely day
