'm feeling high
Just because I'm free
This is a lovely feeling that not just occurs me
You scream for fun
And that you are alive
No one will realize that this is our night

Hey, I think we go insane
Every color seem much brighter
With taste of cocain
I think we go insane
Every color seem much brighter
With taste of cocain

We're leaving town
Looking for adventures
No one will realize that this is our turn
To feel alive
Everything is so fucking allright
OK but seriously. We don't wanna die tonight

Hey, I think we go insane

Every color seem much brighter
With taste of cocain
I think we go insane
Every color seem much brighter
With taste of cocain

Hey, I think we go insane
This taste of cocain
Hey hey hey hey

F*ck

Hey, I think we go insane
Every color seem much brighter
With taste of cocain
I think we go insane
Every color seem much brighter
With taste of cocain
