"Mud"

This word is an old rusted tool
to erase disdain
from this golden fool
swallow seeds bourne on the wind
when confusion sets in
when confusion sets in

the river drowns the straggled bride
honor is mist rolling torpedo tide
traded for sticks with a hole in her side
all saviors die
all saviors die

I shed a broken tear
the river is near
the river is near
and true love overcomes fear

redemption is here
redemption is here

the dreamland wolf is stillborn
what by blind tyranny has torn
that heartless snub once was deep love
and the snub once was deep love

blow a kiss, keep on walking
let your honor do the talking
mud is mixed into the water
just forgive the sundog's daughter
blood is mixed into the water
just forgive the sundog's daughter
