It was a good night I stayed on key  
Me and the drummer were on the same beat  
Had coordination in both my feet  
Oh what a night!

I took off my guitar and i met you  
sweet little angel beneath the moon  
The stars were shining and so were you  
Then i saw the light

So i took your fingers to my face  
And with the tips began to trace  
The way that my eyes and my mouth were shaped  
And you had your sight  
for a moment that night

Chorus:  
Bye Bye Brianna  
Bye Bye Brianna  
Bye Bye Brianna  
What a delight

Bye Bye Brianna  
Bye Bye Brianna  
Bye Bye Brianna  
I see you in the daylight

You're only seven and you taught me  
Life is much more than what we see  
Behind the veil of history  
Til faith becomes sight  
(believing is seeing)

Cause there's so much beauty to behold  
A world of wonder to unfold  
Safe with a pure in the heart and soul  
Who turn on the light  
In the dark of the night

Chorus

I talked to your mother the other day  
And she told me you passed away  
I couldnt find the words to say  
I started to cry

She said when the heart begins to ache  
She can remember you in a place  
Looking at Jesus face to face  
Oh what a delight you got to sight  
His hands in the light  
You can see me tonight

Bye Bye Brianna  
Bye Bye Brianna  
Bye Bye Brianna  
Yeah!!!

Bye Bye Brianna  
Bye Bye Brianna  
Bye Bye Brianna  
Yeah!!!

You can see me tonight  
You can see me tonight  
You can see me tonight  
Yeah!!!

See it was a good night  
Sure was a good night  
It was a good night  
Yeah!!!

Bye Bye Brianna  
Bye Bye Brianna  
Bye Bye Brianna  
Yeah!!!

I see you in the daylight  
I see you in the daylight  
I see you in the daylight  
Yeah!
