By Nicole C. Mullen

From "Talk About It"

I'm so very ordinary

Nothing special on my own

I have never walked on water

I have never calmed a storm

Sometimes I'm hiding away from the madness around
me

Like a child who's afraid of the dark

But when I call on Jesus

All things are possible

I can mount on wings like eagles and soar

When I call on Jesus

Mountains are gonna fall

'Cause He'll move heaven and earth to come rescue
me when I call

La la la la, la la la la

Weary brother

Broken daughter

Widowed, widowed lover

You're not alone

If you're tired and scared of the madness around you

If you can't find the strength to carry on
But when you call on Jesus
All things are possible
You can mount on wings like eagles and soar
When you call on Jesus
Mountains are gonna fall
'Cause He'll move heaven and earth to come rescue
you when you call
Call Him in the mornin'
In the afternoon time
Late in the evenin'
He'll be there
When your heart is broken
And you feel discouraged
You can just remember that He said
He'll be there
When I call on Jesus
All things are possible
I can mount on wings like eagles and soar
When I call on Jesus
Mountains are gonna fall
'Cause He'll move heaven and earth to come rescue
me when I call
