I'm telling myself so I'll know  
I speak to my heart like a daughter  
Sometimes it's hard to let go  
And sometimes the staying is harder

So farewell broken heart  
This is where we must part  
Fare thee well cloudy days  
Moods of blue, shades of gray

I thought I've heard love loud and clear  
It said it would be mine if only  
I learn to let go of my fear  
And cradle the hope of what could be

So farewell broken heart  
This is where we must part  
Fare thee well cloudy days  
Moods of blue, shades of gray

Rain go away  
Don't come again

So farewell broken heart  
This is where we must part  
And fare thee well cloudy days  
Moods of blue, shades of gray

So farewell broken heart  
This is where we must part  
And fare thee well cloudy days  
Moods of blue, shades of gray

I'm telling myself so I'll know

Party over here, party over here  
Party  
Party over here, party over here  
Party  
Party over here, party over here  
Party  
Party over here, party over here

Party

Party over here, party over here

Party

Party over here, party over here

Party

Party over here, party over here

Party

Party over here, party over here

Party
