Ain't got no halo, no wings to fly away
I've got to labor, for many many days
I'm on a journey, I'm looking for a place
To rest by burdens, far from this tyranny

From the shores of Africa
Up to the doors of America
With voices to Heaven praying for liberty

We cry freedom
(Freedom, freedom, freedom)
Said we cry freedom
(Freedom, freedom, freedom)
Yeah we cry freedom
(Freedom, freedom, freedom)
Yeah we cry freedom
(Freedom, freedom, freedom)

We marched in 'Bama
We marched in Tennessee
Brown men and white men
Stood for equality

We kept our chin up
We kept our dignity
And our proclamation
Let everybody sing

From the shores of Africa
Up to the doors of America
With voices to Heaven praying for liberty

We cry freedom
(Freedom, freedom, freedom)
Said we cry freedom
(Freedom, freedom, freedom)
Lord we've got freedom
(Freedom, freedom, freedom)
Yeah we cry freedom
(Freedom, freedom, freedom)

Up on Golgotha, hangin' upon a tree

They say the God-man, died for my liberty

He heard me crying
From my captivity
And so he came down
Down to deliver me

Woah, woah, woah, woah

From the shores of Africa
Up to the doors of America
With voices to Heaven praying for liberty

We cry freedom
(Freedom, freedom, freedom)
Said we cry freedom
(Freedom, freedom, freedom)
Said we cry freedom
(Freedom, freedom, freedom)
Oh we cry freedom
(Freedom, freedom, freedom)

Our hearts cry freedom
(Freedom, freedom, freedom)
My heart cries freedom
(Freedom, freedom, freedom)
Your heart cries freedom
(Freedom, freedom, freedom)
His heart cries freedom
(Freedom, freedom, freedom)
