Can I get a witness, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this, ah?  
Yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah

Lookin' for some ladies and some young men  
To run the race and endure to the very end  
No turnin' back, no quittin' if you're gonna win  
Your mark, get set, runnin' like a champion  
Have you heard the story about Joshua?  
He was young, strong, and courageous  
Not by power nor was it by might my friend  
"But by my spirit," that's what the Lord says

Witness, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can I get a witness, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this, ah?  
Yeah, yeah, yeah, yeah, yeah

I believe God is callin' you my friend  
To shake your world upside-down and back again  
Might be a hundred you might just be a little kid  
But you can slay giants just the way that David did  
I remember times when it was difficult  
And I prayed that God would send a miracle  
I don't know how but right up to the very end  
He made a way outta no-way and sure enough  
delivered

Witness, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can I get a witness, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this, ah?

Yeah, yeah, yeah, yeah, yeah

Sling shot in my back pocket track  
Bumpin' with a rocket  
Battle rocks by my side  
Ready for apocalypse  
Even these inventions unseen but heard  
Not by power or might but by my spirit says the word

And who can be against us if you for us?  
(Nobody)  
And who can shut us down if you with us?  
(Nobody)  
And who can stop a thing that you started?  
(Nobody)  
If you with us, put 'em up and be a witness

Can I get a witness, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can I get a witness, ah?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this, ah?  
Yeah, yeah, yeah, yeah, yeah

Can I get a witness?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this?  
Yeah, yeah, yeah, yeah, yeah  
Can I get a witness?  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this?  
Yeah, yeah, yeah, yeah, yeah

Can I get a witness?  
(And who can be against us if you for us?)  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this?  
(And who can be against us if you for us?)  
Yeah, yeah, yeah, yeah, yeah  
Can I get a witness?  
(And who can stop a thing that you started?)  
Yeah, yeah, yeah, yeah, yeah  
Can you get with this?  
(If you with us, put 'em up and be a witness)  
Yeah, yeah, yeah, yeah, yeah

If you with us, put 'em up and be a witness?  
If you with us, put 'em up and be a witness?  
If you with us, put 'em up and be a witness?

If you with us, put 'em up and be a witness?
