December hasn't changed
This town looks the same
They still light their tree in the city square
There's red, white, and green shining everywhere
And I wish you were here
And I wonder.....

Is there snow falling down on the streets of gold
Are the mansions all covered in white
Are you singing with angels silent night
I wonder..... what Christmas in Heaven is like

There's a little manger scene
Down on Third and Main
I must've walked right by it a thousand times
But I see it now in a different light

'Cause I know you are there

And I wonder.....
Are you kneeling with shepherds before him now
Can you reach out and touch his face
Are you part of that glorious holy night
I wonder..... What Christmas in Heaven is like

Is there snow falling down on the streets of gold
Are the mansions all covered in white
Are you singing with angels silent night
Oh I wonder.... What Christmas in Heaven is like
