Mirror mirror on the wall,
why am I so beautiful?
It makes others stare and adore,
but I don't think they like me anymore.

Mirror mirror why's it true,
others can't stand being in my gloom.
Mirror mirror is it me or has everyone lost their self-
esteem.

Help me, help me understand,
i'm far too up my own ass now.
I fear it's too late to turn,
and I ask why, it's perfect in hell.

As if you couldn't tell,
As if you're jealous as well.
You just wish you had the audacity,
to do as we do so naturally.

Mirror mirror on the wall.
Who's the fairest of them all?
Me and mine, but of course.
In our halos night by night.

Working on our charity things,
doing it, just to please,
though our belief is just one cause.
Don't be bored.

Because borings not beautiful.
Because borings not beautiful.
Because borings not beautiful.
Because borings not beautiful.

Mirror mirror on the wall,
I think they're turning on us all.
To tell the truth i'm a little frightened,

but you can't see through my skin or title.

Help us, help us, what should we do?

I can't live like all of you!
Mirror mirror help us so,
we won't miss tonight's fashion show.

Mirror mirror on the wall,
are we still the fairest after all?
We've been out all night,
we look like trash,
but on the inside I know the rule.
Don't get bored. Don't be bored

Borings not beautiful.
Because borings not beautiful.
Borings not beautiful.
Because borings not beautiful.

Borings not beautiful.
Because borings not beautiful.
Borings not beautiful.
Because borings not beautiful.

Don't be bored of us.
We're bored of you.
Don't be bored of us.
We're bored of you.

Mirror mirror on the wall,
I guess i'm still so beautiful.
It makes others stare and adore.
I don't care that they don't like me anymore.□
