It's all over, you've been trying for too long.  
We've been being hunted from long before.  
And now it's time to turn and face the rest.  
We'll plan our exit make sure that it's the best.

Everyone was leaving me,  
the light stark on life.  
Though everyone feels the need to keep telling me it's  
alright.  
The room is shaking, waiting to erupt.  
Their hearts pounding.  
No fear, no need to run.

Conscience is telling me  
they know just who we are.  
Though my heart is leaving through words taking their  
mark.  
The stage is set, crowds frozen in place.  
I think we're ready.  
Ready, set, go.

Everyone was leaving me,  
the light short on time.  
Now everyone's here to witness the demise of who I  
am.  
The room is shaking, waiting to erupt.  
Their hearts pounding, no fear, no need to run.

Go out with a bang.  
Shake, shake, shake it up.  
Go out with a bang.  
Shake, shake, shake it up.

Go out with a bang, Go out with a bang.  
Go out, go out, go, go, go, go out with a bang.

If i'm leaving i'm going with a bang.  
If i'm forced out, I'll go out with a bang.  
It's my moment, the last time I'll ever get to shine.  
I won't leave it  
'cause i'm going with a bang.

It's all over, you've been trying for too long.  
We've been hunted from long before.  
And now it's time to turn and face the rest.  
We'll plan our exit, we'll make sure that it's the best.  
Ready set go.

Go out with a bang.  
Shake, shake, shake it up.  
Go out with a bang.  
Shake, shake, shake it up.  
Go out with a bang, Go out with a bang.  
Go out, go out, go, go, go, go out with a bang.

If i'm leaving i'm going with a bang.  
If i'm forced out, I'll go out with a bang.  
This is my last time to leave the impression that I like.  
Oh, I'll go out with a bang.
