I can't help myself.
i'm stuck in my head alone.
but it is where I want to be.
Can it be so bad for me.

Fortune smiles on,
When I fall asleep
it lets me be.
Released in to my fantasy.
Released to where I want to be.

Selfish as it sounds,
i'm happier alone than in warm hands.
And I can tell this makes you sad.
As I no longer need your hand.

But maybe, maybe, maybe.
This is just my crazy.
Others see me as lazy,
this is just how far I go.

I can't see awake.
Nothing works for me, it's all the same.
So I sleep to dream to see.
But your not in my heart it seems.

In this town they come in droves,
watching me play piano alone.
Cordoned like the animal,

the animal I feel the more.

But maybe, maybe, maybe.
This is just my crazy.
Others see me as lazy,
but this is just how far I go.

Living in my dreams,
I know that there will be
some misunderstood illusion.
someone like me.
But for now i'm surrounded

by new colours.
I lift above the forest
to see those undercover.

As maybe, maybe, maybe.
This is just my crazy.
Others see me as lazy,
but they don't know how far I go.

Maybe, maybe, maybe.
This is just my crazy.
All the others see me as lazy,
this is just how far I go.
