"Oh Well"

You know those days you think to yourself
I neevr should have got out of bed
Lately it just seems as though it's never, ever going to
end
I never wanted you to feel that way
I always thought that you felt the same

Say it isn't so, say it's the end!
I don't eevr want to lose you as my best friend
Oh don't say that it's the end!

So I put all my energy into loving you
& all I got back was lies
Oh things could've been much better
If only you had loved me like I love you

Tell me where to go
Tell me what I need to know
Keep you as my best friend
Oh don't say that it's the end

Oh... ooh you'll never know
You'll never see, you'll never know just what you did

No more tears for you, no more tears for you
I don't ever want to see you round here anymore
Oh you broke my heart

No more tears for you, no more tears for you
I don't ever want to see you round here anymore

I never liked you anyway, I never liked you anyway.
