The door is closed on my dreams!
And it won't open for me!
I feel like I need to scream!
I feel like no one cares about me!
I feel like I need to run!
I feel like I need to be alone!
But no one is letting me out!
No one is helping me out!
Instead everyone is locking the door, so I can't get out
anymore!

No one understands how I feel!
No one understands what I'm going through!
No one understands anything about me!
No one understands!
No one, No one understands!
No one knows!
They may never know!

Chorus:
The closed door won't let me out,
The closed door is staying shut,
The closed door is not opening!
The closed door is what helps me from making a
mistake!

Sha lala la la sha lala la la

Finally I think the door is opening,
I might be able to get out,
This place is getting old,
I'm out it worked!

I kind of liked this place,
It was a way for me to get away!

Chorus:

But now I can see the world,
Now I can meet new people,
Now I can breathe fresh air!

Chorus
