Im setting here by the telephone, cause I just got the  
news that you were out with someone else.

And I pretend,

but I've known all along.

It just hurts to know from you to me there ain't no love  
left.

But this time,

I won't swallow my pride.

I'm gonna face down those demons and tell you  
goodbye.

Chorus:

I'm letting go.

I'm moving on.

Oh there's nothing here to stop me now.

I'm done with being strong.

Forgetting you,

is my main goal.

So when he does you wrong and you're all alone don't  
call me,

cause I'm letting go.

Verse 2:

Im thinking back

on the time we shared,

and how could you have let me down as good as ive  
been to you.

And this time,

im not turning round,

my bags are packed and im out the door, im to far to  
turn back now.

So how could I even began to feel I was wrong

Chorus:

I'm letting go.

I'm moving on.

There's nothing here to stop me now.

I'm done with being strong.

Forgetting you

is my main goal.

So when he does you wrong and you're all alone don't  
call me,

cause I'm letting go.

Trans-verse:

Don't stand there and look at me that way,

cause I know exactly, what you want to say

Chorus 2X's

I'm letting go.

I'm moving on.

There's nothing here to stop me now.

I'm done with being strong.

Forgetting you

is my main goal.

So when he does you wrong and you're all alone don't  
call me,

cause I'm letting go.

I'm moving on.

There's nothing here to stop me now.

I'm done with being strong.

Forgetting you

is my main goal.

So when he does you wrong and you're all alone don't  
call me,

cause I'm letting go.

yea when he does you wrong and you're all alone don't  
call me,

cause I'm letting go.
