[Hook]

I am a sinner who's probably gonna sin again  
Lord forgive me, Lord forgive me  
Things I don't understand  
Sometimes I need to be alone  
Bitch don't kill my vibe, bitch don't kill my vibe  
I can feel your energy from two planets away  
I got my drink, I got my music  
I would share it but today I'm yelling  
Bitch, don't kill my vibe; bitch, don't kill my vibe  
Bitch, don't kill my vibe; bitch, don't kill my vibe

[Verse 1: Kendrick Lamar]

Look inside of my soul and you can find gold and  
maybe get rich, hol' up  
Trinidad James in four weeks  
But now my album platinum and shit, so what  
Y'all keep the numbers  
I'm more than another statistic, my nigga  
This courtesy of Compton  
Brooklyn go hard, motherfucker  
Love me on the East like I'm Chuck D  
Dominicans wish that I was born there  
I'm lookin' to be the god MC  
You look at my hat and see thorns there  
I look at the game and see porn there  
I'm fuckin' this industry hard  
I'm back at this money, teabagging your honey  
You thought I was fresh out the yard  
Don't cry to me dummy, you're lightweight  
They tell me you nice and I'm like, wait  
Go get me a knife, you're looking like steak  
And when the stakes are high, I stay down for days  
And when the water inside, you're probably pool  
shaped  
We thirsty nigga, never alert me, nigga  
I got a P89 in a suitcase  
I knew you heard me, nigga, this is the a burpee, nigga  
Lyrical exercise  
Right now, homie, I'm in the extra vibe  
Pipe down, it ocured when you heard that I got these

words

To the upper echelon, that's excellent

[Hook]

[Verse 2: Jay-Z]

Up in the clouds, me and my spouse  
Rumors on the ground gettin' too loud  
Please turn them shits down, can't hear myself think  
Turbulence, shit, almost spilled my drink  
In the whitest with a mink  
Gunnin' through that bitch like it's my house  
All up in the hall like a mall  
Told you motherfuckers, all I do is ball  
No, I don't 'member you, I don't intend to empty my  
memory bank  
It's a million dollars in it, baby, Hilary Swank  
Next to Hilary smellin' like dank  
Presidential pardon, name one nigga out there harder  
than him  
I'll wait, I've been in my weight like 20 years straight  
I've been on my vibe like 20 years straight  
Don't fuck up my high, don't fuck up my high  
Nights like this, I could fuck up a pie  
Still keep straight and still be straight  
Fall back, bitch, I got a lot on my plate  
Don't waste my breath  
I don't know how many moons a nigga got left  
Back to this joint, smokin' this shit like I'm tryna' prove  
a point  
I'm the highest, the highest title, numero uno  
Kill my vibe, thats your motherfuckin' funeral

[Verse 3: Kendrick Lamar]

But you ain't you and me, turn eulogy to urinals  
Niggas pissed off  
I'm in this lil' diss shit, I'm pushin' my fort  
Leader of the new school  
On my toes like a ballerina  
Who knew I'd be black swan  
World in my palms  
Ironically, I am the Globetrotters' best  
Cause I didn't drop the ball  
Told niggas when I was 16 that I'd write a 16  
To put a nigga right on the big screen  
In the paddy wagon with 16  
Should have been in the pen  
But now my pen write with morphine  
I heal niggas, touch down with more fiends  
I kill niggas, audio crack  
Khakis to meal ticket

Cardio lap, was running for dear life  
Now I'm running the map bitch I'm here nigga  
Picture little old me giving a fuck  
For what a fuck nigga gotta say  
Nigga you'll never be Jay, never be Nas  
Never be Snoop nor Dre  
You ain't get killed in Vegas  
Or hit a Suburban  
Puffy Daddy wasn't your favorite  
So many washed up with detergent  
But I don't dry tears, I just aim at them on purpose  
Like bluck  
14 like bluck  
Empty out another magazine like bluck  
Hit a young nigga like bluck  
I kill 'em all when they try to kill my flock  
I am the bad, the good God  
The last the hood got  
The last that would try to pass a good job  
If Shyne's a black Beatle  
Then I need a 10 second drum solo  
See you at Woodstock
