[Hook]

I am a sinner  
Who is probably going to sin again  
Lord forgive me  
Lord forgive  
Things I don't understand  
Sometimes I need to be alone  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
I can feel your energy from two planets away  
I got my drink I got my music I will share it but today  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe

[Verse 1]

Look inside my soul and you can find gold and maybe  
get rich  
Look inside of your soul and you can find doubt and  
never exist  
I can feel the changes  
I can feel a new life  
I always knew life can be dangerous  
I can say I like a challenge and you to me is painless  
You don't know what pain is  
How can I paint this picture  
When the color blind is hanging with ya  
Fell on my face and I woke with a scar  
Another mistake living deep in my heart  
Buried on top of my sleeve in a flick  
I can admit that it did look like yours  
Why you resent every making of this  
Tell me your purpose is petty again  
But even a small lighter can burn a bridge  
Even a small lighter can burn a bridge

[Hook]

I can feel the changes  
I can feel the new people around me just want to be  
famous  
You can see that my city found me put me on stages

To me that's amazing  
To you that's a quick check, with all disrespect let me  
say this

I am a sinner  
Who is probably going to sin again  
Lord forgive me  
Lord forgive  
Things I don't understand  
Sometimes I need to be alone  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
I can feel your energy from two planets away  
I got my drink I got my music I will share it but today  
I'm yelling  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe

[Verse 2]

I'm trying to keep it alive and not compromise the  
feeling we love  
You trying to keep it deprived and only co-sign what  
radio does  
And I'm looking right past ya  
We live in a world, we live in a world on two different  
axles  
You live in a world, you living behind the mirror  
I know what you scared of, the feeling of feeling  
emotions inferior  
This shit is vital, I know you had to  
This shit is vital, I know you had to  
Die in a pitiful vain, tell me a watch and a chain  
Is way more believable, give me a feasible gain  
Rather a seasonal name, I'll let the people know this is  
something you can blame  
On yourselves you can remain, stuck in a box  
Ima break out and then hide every lock  
Ima break out and then hide every lock

[Hook]

I can feel the changes  
I can feel the new people around me just want to be  
famous  
You can see that my city found me put me on stages  
To me that's amazing  
To you that's a quick check, with all disrespect let me  
say this

I am a sinner

Who is probably going to sin again  
Lord forgive me  
Lord forgive me  
Things I don't understand  
Sometimes I need to be alone  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
I can feel your energy from two planets away  
I got my drink I got my music I will share it but today  
I'm yelling  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe

[Bridge]

You ain't heard a chorus like this in a long time  
Don't you see that long line  
And they waiting on Kendrick like the 1st and the 15th  
3's in the air I can see you are in sync  
Hide your feelings, hide your feelings now what you  
better do  
I'll take your girlfriend and put that pussy on a  
pedestal  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Walk out the door and they scream it's alive  
My new year's resolution is to stop all the pollution  
Talk too motherfucking much, I got my drink I got my  
music  
I say Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe  
Bitch don't kill my vibe
