Riding around town, big taxi
I'm out in London, please don't ask me
I don't know when I'll be going back to Cali
I don't know when I'll be going back to Cali
Said I'm riding around town, big taxi
Out in London, don't ask me
I don't know when I'll be going back too, kay?
Skkrt skkrt, pulling up, G5 land in the valley
For the valley girls or them hoochie broads
I don't know, I don't like 'em if they got some flaws
I don't know, I don't like 'em if you wife 'em dog
I don't know, I don't like 'em, this is big bruh, K-D-O-T,
