Rare Breed, Kendrick Lamar
Breed up or speed up
Breed up or speed up
Breed up or speed up

This is for my niggas that be all blacked out
Hit the streets a hundred deep, what Rare Breed
about?
Riding hard, bending corners, the girlies on us
Leave a hater scarred, big Dressers sit at the stop light
Road Glides and Road Kings deep in my hindsight
You do it right or don't do it at all
Put that candy paint on it, ride them twenty-threes
homie
Custom seats, custom brakes, hit the streets and ball
Centre of attention like buying 'em and being saw, aw
You know that killer californication
When you feeling like you sitting on a ceiling, chasing
Dreams, hoping this conglomerate can run the nation
It's abomination how we bomb yo' block
I'm talking Big Punch, K-Dub, Baby Slip Billy
Bad Azz, Rare Breed, we all we got
See 'em out, show 'em love, chunk the deuce, give it up
It's a lot of bike clubs but they not this hard, nope

Pounding on the highway stretch
All blacked out, making sure we on deck
Might catch us on them Dressers or them Road Glides,
yes
Tell the world I'm a Rare Breed baby
Breed up or speed up (don't stop, don't stop)
Breed up or speed up (don't stop, don't stop)
Breed up or speed up, I'm a Rare Breed baby

And it's like that to the death though
Two-oh-point and seeing decimals, I ain't lying
Pounding on the interstate in the state that shines
Or we might be in a hood near you
Around the globe baby, Rare Breed under control baby
Them pipes loud, the movement entice crowds
We heat it up in the cold baby

It's three degrees out? Then you should see me out
Or see bout them kitty cats and how they go meow
Ha-ha, we be the father of Harley drivers, so don't
bother
Show you infants how to whip it, have a bye-bye
Posers try to hang? Then we hang 'em by the collar
Silk, lannie, Rare Breed family
Stunting hard like a black circus, voila
Breed up or speed up, get ahead
So with that said, bye-bye

Shouting out the one and only Rare Breed
Now Breed up!
