[Kendrick Lamar:]

Hold up is that you?

With them big ol' thighs after school

J-305 had gave me high five when I said I'm in hot
pursuit

[3x]

You said I won't ride until Kendrick drive a new Monte
Carlo that cruise

And that shot my pride, I tried to improv, but no
freestyle, I never do

Ya lookin' for the nigga with the tallest 'fetti'

Ya overlookin' every nigga that ain't quite ready

To make it rain on ya like I'm boutta break a levee (HOL
UP!)

That pussy petty

Yeah ya nails did, ya hair did, your cellphone is selfish
It only got numbers that come with a hummer her new
prima donna I smelt it

Tried to make ya mine.. (ho)

Tried to make some time.. (ho)

But I ain't got the time or the patience to stop and wait
in line.. (ho)

Her dream soap Versace, she fall for Armani

I only deal with rich niggas, fuck you and Mitt Romney

I'm grown now, I'm on my own now, I'm poppin'

Change my phone now, when I get home now, I got
options

Fast forward, wait is that you?

With them big ol' thighs after school?

And your three kids and three baby daddies same car
note that's overdue?

I know

[Gotye - Sample of "Somebody That I Used To Know":]

But you didn't have to cut me off

Make out like it never happened and that we were
nothing...

[fades out]
