[Verse 1]

I know this girl
She a real good girl
And she be low-key
Looking like a star
With a real nice car
A Mercedes key
And she got a nigga
And she love this nigga
Well, at least I think
Everytime we bark
She pay us no mind
In the middle of the street
She be like:

[Hook 1]

F-ck them other niggas cause
I'm down for my nigga
F-ck them other niggas cause
I'm down for my nigga
F-ck them other niggas
I'll ride for my nigga
I'll die for my nigga
F-ck them other...

[Verse 2]

Until one day he wasn't acting right
In the middle of the night
She checked his phone, Erica, right
When he plead the fifth, man, it was on
Matter of fact she gone
Matter of fact Tyrone
Was on speed dial, so when she got home
It was going down, she go:

[Hook 2]

F-ck that other nigga
When she tired of her nigga
F-ck that other nigga
When she tired of her nigga
F-ck that other nigga
When she tired of her nigga

Sick of lies from her nigga
F-ck that other...

[Verse 3]

I know this girl
She a real hood girl
And she with the shit
Keep her hair tied up
Big bamboos
Mike Jordan kicks with that

Big butt, but when I try
To holla, she don't exist
In her man she trust
So when I holla
She gon resist and her man she trust
So when I walk by her
She be screaming this:

[Hook 1]

[Verse 4]

Until one day he wasn't acting right
In the middle of the night
She checked his pockets
Found condoms by Magnum
And the moment they was acknowledged
She popped his eye
Then ran outside
Then started driving
On the passenger side
Homeboy was smiling, she go:

[Hook 2]

[Verse 5]

And so, these girls
These vulnerable girls
Took they men up
Put em in their world
Their vulnerable world
And just like that it was
Only getting they feelings hurt
Tell me how that sound?
They got fed up with the
Biggest question mark
They curious now
Cause when women get sick of men
They think of a big helping hand
To lend each other under cover emotions when lights
dim

So when she telling her to come over
It'll be alright
The minute she hit the block
And turn left, she'll be turning dyke, they go:

[Hook 3]
F-ck with other bitches
When they tired of these niggas
F-ck with other bitches
When they tired of these niggas
F-ck with other bitches
On the side cause these niggas...
