[Hook]

I know a lot of people that smile in my face  
But talk behind my back every time I'm gone  
So when they call my number, I don't never pick up  
I don't owe you shit, bitch, leave me alone  
I'm going big, suck my dick  
I'm going big, suck my dick  
I'm going big, suck my dick  
I'm going big, suck my dick  
Too many niggas, not enough hoes  
And some of you niggas, acting like hoes  
Stay to myself like loners do  
Get high by myself, I'm not in the mood  
To politic or be fake with you  
We apologize if you ever knew  
Too many niggas, and not enough hoes  
And most of you niggas, acting like hoes

[Verse 1 - Kendrick Lamar]

Everything I do is t̃¼relem  
I'mma take my time, I'mma master it  
You should be mindful of a mastermind  
Put a landmine right where your momma live  
Now blow up, blow up, hold up  
I seen your kind before  
See me as a dollar sign  
Till I resign on your report  
That I done you wrong, and I mean to know  
My homie never ?  
Nigga right now, it's now or never  
Nigga right now, I'm high as ever  
But however...

[Hook]

[Verse 2 - Kendrick Lamar]

Everybody heard that I fuck with Dre  
And they wanna tell me, I made it  
Nigga I ain't made shit  
If he gave me a handout

I'mma take his wrist and break it

Nigga, I'm faded off of that Nuvo  
Chilling with two hoes in here  
And they tie my laces, living the Matrix  
As them pills disappear  
Me and my niggas just acting bad  
HiiiPower conglomerate  
Living that life and counting this cash  
Old friends I no longer have

[Hook]

[Bridge]

[Verse 3 - Schoolboy Q (Kendrick Lamar)]

I remember when I came out and shit  
Man it's been so long since they see my dick  
Probably been five months since I seen my seed  
God dammit K Dot when it comes to this  
When I was sleeping on couches  
Nigga couldn't get a call, just a Glock for my belt  
Nigga I was motherfucking outchea  
With the flashing lights had me stuck like reindeer  
When I should've been making ?  
I was somewhere stuck with a ?  
Motherfucker see how far that I came here  
Went broke and I came up in the same year  
Can I get a hell yea?  
Drop my chair, hold my joy, show my pride  
(Music saved my fucking life  
I'm doing right  
And you left behind  
Feel my pain, now I'm styling  
Heard this shit, I spent a thousand  
Different homes, different islands)  
Dropped my mixtape and it sold like an album  
Reason why I'm...
