Ooh yeeeahh ooh yeeeahh

[Verse1]

He hits me with his same ol' lies (same ol' lies)  
He made me cry (made me cry)  
A thousand times  
It rains on me (rains on me)  
I can not win  
I can not sleep (I can't sleep)  
I'm fallin deep

[Chorus]

And I'm dreamin dreamin dreamin dreamin that he  
disappears won't he  
Disappear  
And I'm dreamin dreamin dreamin dreamin that some  
other guys would come and  
Touch my thighs

[Verse 2]

This time I win now he will lose (he will lose)  
See in my dreams (in my dreams)  
I'm breakin all the rules  
Off with his head (with his head)  
He makes me mad  
When I awake (I awake)  
I always laugh

[Chorus]

And I'm dreamin dreamin dreamin dreamin that he  
disappears won't he  
Disappear  
And I'm dreamin dreamin dreamin dreamin that some  
other guys would come and  
Touch my thighs

[Verse 3]

It's plain to see that all my color's gone  
In my eyes a funky mood, not sweet  
Unfair to me to chase him in my dreams  
When I awake I'm back to loving you  
I can't even talk, these boots they will not walk

Unfair to me to chase him in my dreams  
It's plain to see that all my color's gone  
In my eyes a funky mood, not sweet

[Ending Verse]

It's plain to see that you love me  
And I hate you cause I love you  
I'm confused so confused.  
Falling deep so so deep  
I love you; I hate youuu
