If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out

If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out

No, I don't care what they say
Don't even mean a thing, baby
Don't care what they do
Long as you know I want you

It's so hard for me
To stand back and let you get away
Now that you know how I feel for you boy
You can set my body free

Take me baby, I'll light your fire
I will be your only desire
Take me baby, I'll light your fire
I will be your number one supplier

If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out

If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out

You make me feel so good
Won't you come close take my heart away?
Don't get misunderstood
And think I'm not ready for you baby

See a girl like me
I never throw my feelings on tha table

But now that you know how I feel for you boy
You can set my body free

Take me baby, I'll light your fire
I will be your only desire
Take me baby, I'll light your fire
I will be your number one supplier

If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out

If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out

I said it before, I'll tell you again
Have you wishin' I was your girlfriend
Ready or not, if you wanna win
I'll have you wishin' I was more than a friend

I said it before, I'll tell you again
Have you wishin' I was your girlfriend
Ready or not, if you wanna win
I'll have you wishin' I was more than a friend

If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out

If I was your girlfriend
Imagine what you could see now
I wanna take my clothes off
'Cause you got my body hot, I'm ready to freak out
