Nicole Wray talking:

(um) You know (um)
i don't know what's up with this cat (um)
but i know--i know he's gonna be mine (um)

Missy Elliot:

yes i'm the supa dupa
i'm a supa star
i got a supa flow
that goes supa far
i need a supa man
that got a supa tan
that can deactivate my body like a supa friend

Nicole Wray:

he was the finnest guy in school
he had the whole damn school on lock
and i thought he was cute
so when i see him i had to stop
boy how are you
and by the way nicole is my name
so i slipped him my number
showed him how i spit the game

Chorus:

call me...when u need someone to talk to
call me...eventhough i'm seventeen
call me...when u need someone to talk to
call me... call me

Nicole Wray:

he was only seventeen
and i was checking him everyday
and he's no beginner
he made me hot like the middle of may
i've got to find a way
to keep all his attention on me
so i slipped him the paper
and told him hit me up at three, hey

Chorus:

call me...when u need someone to talk to

call me...(missy talk)
call me
