And I'm young ozzy
Machine gun little tommy
Mayhem fucking pamela up in the lobby
Make her shake then she bake like I'm Ricky bobby
Eat the munchies and escape like I'm playing hockey
Sex pistol everything I say vicious
I'm making johnny cash haters eat my limp bizkits
buy a dub then I step no skrillex
grab the jimmy no hendrix
Put my Dick in her appendix then bust
Ugh I don't give a fuck
I eat pussy so that means I can eat whoever I want
And these rappers smell a little fishy
Maybe you are lunch?
I'm a muthafuckin punk or you a muthafuckin punk
Tour bus full of girlfriends everybody fuck
bamboos full of elephant trunk you call blunts
So if you with me throw them fucking L's up!
E.S.Tor you a muthafuckin cunt!!
Bitch what?
I'm hated hated hated hated hated hated hated
Muthafucker I'm hated hated hated hated hated hated
Stank biatch I'm hated hated hated hated hated hated
Muthafucker I'm hated hated hated hated hated hated
And i don't give a fuck!
Bitch I'm...
Big cheif of chuck t's wife beater
still hood 4 doors no 2 seater
Wanita, brain like a smart senior
And she pop 2 like she got a cold fever
Fuck bitches, Dudes don't fly neither
2 liters of the brown Me and Tech and nina
The green give me amnesia
while its Kells poppin out of the goddamn speakers
Now too many people keep up with the wordplay in my
raps dawg
So maybe the critics slow and I'm to fucking fast dawg
There's 3 reasons why i am better than your favorite
rap star
I can rap harder, I got better fans, and and I'll beat his
fucking ass dawg
Cleveland on my shoulder like a backpack

Cleveland on my sholder look at that tatt
Cleveland is the city where I'm at
bring the cheese up into this bitch into a motherfucking
rap trap
Fuck the chorus I've been hated and they know that
Fuck the force, chop the trees and then we blow that
I'm a tourist but I don't bullshit you can get the fuck out
or come and get this full dick
And maybe call up a couple of fans who didn't come
over because they were scared cuz they were
intimated by the noise or maybe the mohawk in my
hair.
Or maybe my boys who don't interact with any
celebrities that I attract
Instead of a dap its a ski masks matter fact you know
what give me that
I'm hated hated hated hated hated hated
Lace Up Bitch
till you face up Bitch
Untill then blaze up Bitch
They hate is Bitch
But that's who made us Bitch
They girl gon blame us Bitch
And if you sleeping on the kid wake up Bitch
Bitch Bitch Bitch
I heard the girls like it whenever I say Biatch!
