We got it, mhm, we got it, mhm, we got it
We got it, mhm, we got it, mhm, we got it
Kells, yeah

I know you motherfucker better have the cash for us
Rack it up, cause I know you don't wanna see the mask
and gloves
Put the green in the middle like you packing a blunt
Then gimme it in the brown bag like you packing a
lunch
Kilo, with the repo, make the streets talk,
Making every kid in the game, when I had a cheefo
Black hico, go cinco, for amigos,
I said get a motherfucking dep, warrup

Black flag, with 3 letters that I'd die for
And 3 more for the rivals, rip,
Add 'em all together, bye bye hoes
6 feet deep with the fossils
Now I ain't never kill nothin' but a beat
But if it comes down to it shit I gotta eat
And they say scared money don't make real money
And it's true, what the fuck you think it's gonn be.
Lay down.
Mommy should've have never bounced.
Daddy should have picked the liquor off the fucking
couch
Maybe then I wouldn't be in the position, staying lost in
the position, while I'm searching for a fucking ounce.
Now where it at?
They told me that the black safe, in the last place, that I
would be looking
So you better quit the rap race
They tell you that rap pays
I bet ya the half eighth, while my people gettin' sick of
eatin' crab cakes.
Hold on.
These faggots eatin', while my people starve
Well I'm tired of hustling, think it's time to rob
Same old shit, we ain't getting paid
Well I'm in this industry, like fuck em, what we say?

Don't make this 40 go blow, go blow
Put that money in my pocket, right now, right now
Fuck em all, y'all foul, y'all foul,
Make these pussy motherfuckers lay it down, lay it
down, ah
Don't make this 40 go blow, go blow
Put that money in my pocket, right now, right now
Fuck em all, y'all foul, y'all foul,
Make these pussy motherfuckers lay it down, lay it
down, ah.
