One more time, one more time, one more time, one more time
We gonna do it uh, but I'm nice in the past we aint do enough
For the unforgettable nights, we couldn't take in,
Cause were too busy guzzlin the gin, all in till we spewin up
My city love me so wheneva im home,
I get the messages sayin that it is on,
Tell my homie seven order up another zone
Me and double hot slim pouring the patron,
in the club like Sazerac boys in the building, bitch,
Motherfuck vip, I'm trying to see all the girls in the crowd
Get wild, which one of them will tryna suck DIC
Somebody go and tell the dj to play my shit
Man I'm so Cleveland, yeah that's my shit
Bottles all gone take a few more sips
All these hoes got money so I'm filthy rich, rich
Yep they rich, and they love to spend it all on my click
They know we dont like clothes so they strip
Sign my name on across they tits, shiatt
Yeah, now where we head next?
i dont know but where we go dont dress
half naked and my chucks still fresh
Half baking, but I'm not no chef
Yeah, let me hit it one more time like Britney
Let me get 9 more shots like 50
Bitch I hussle but I ain't nipsy
Bitch I rage, who gets tipsy
Last call for alcohol, so all tha hoes go and get in my bed
and say hoes cause I mean more that one, I'ma freak
so girl go and grab your friend
One more time, one more time, one more time, one more time
Smoke it up, pour it up, keep it drank up in my cup X 6
Smoke it up, pour it up, lace the fuck up
And I'm back on my bullshit, walk in tha room can you smell that uggh shit?
Speed it up energetic redbullshit,
93 Michael Jordan red bull shit

And I'm so mvp, derrick rose aint got shit on me
and I fuck like a porn star
alla tha girls don't wanna play ball but they know i got
that D

amputee

I dont cop hoes what i look like jail, i jus fuck hoes and I
fuck them well
And they can pay me
Call that bail, bottles on me like a new born
Gotta put the chrome on, pull up to that party in that all

presidential shit, but I don't got a suit on
no shotgun i keep it hot like tucson
and i rage and i rage betta than yall, any day any place

little bitta liquor when I'm in my draws
Oh no, hell no i am wild than a motha fucka aint i

Let me hit it, let me hit it one more time
One more time, one more time, one more time, one
