I?m
Wasted and ugly, I am the underbelly
A fat fuck and a fairy
The reject they wish to bury

Pre Chorus:
They want to
Murder us, silence us
Divide and conquer us
As they lead, as we die
Let these three words decide

Chorus:
I love you!
Why do I hate my brother?
I hate you!
Or do I hate myself?

I?m a meth head and alkie
Dumb cunt been called a junkie
A retard and a pussy
And I embrace the names you call me

(Pre Chorus)
(Chorus)

I?m a redneck and a faggot
The asshole ignorants
A wetback and a nigga
And I raise my middle fingers
To those that

Murder us, silence us
Divide and conquer us
As they lead, as we die
Let these three words decide

I love you
Why do I hate my brother?
I hate you
I hate myself

Love
Hate

(Chorus)
