i said it before
i'll say it again:
one, two, rock, rock , rock!
fuck, fuck, who want what?
i got a couple vans with my mans in the front
They got a couple cans, gas in the cup
we ain't at a shell station but the hands on the pump
yeah, burn this mother fucker down
The roof isn't on fire, but i bet it is now
and if I'm on the bottom when it all falls down
i'mma show 'em what i got,
make it all fall now!

i just want, i just want
i just want, i just want
i just want, i just want
i just want, i just want
i said it before
i say it again:
I, JUST, WANT, To...
1, 2, woo woo

welcome to the rage,
welcome to the mosh pit
welcome to the stage
i got a bottle and if anybody hates
i'mma pick it up and hit this mother fucker in their face
oh, shit! yeah, bitch!
20 shots of jack
what the fuck y'all know about that

what, what,
what, what,
what, what,
what, what,
Oh shit,
what, what,
oh, oh shit, here we go!
i said it before
i say it again:
what, what,
what, what,

what, what,
what, what,
the shit, here we go!
1, 2, woo woo
