You and me,
You and me,
Nobody baby but you and me. (Hey, hey, hey)
You and me, (My, my, my, my, my, my, my, my)
You and me,
Nobody baby but you and me.

If the stars don't shine, if the moon won't rise, if I never
see the setting sun again,
You won't hear me cry, this I testify; please believe me,
boy, you know I wouldn't lie.
As long as there is

You and me, (Ohhh, oh, oh, oh, oh)
You and me,
Nobody baby but you and me. (Hey, hey, hey)
You and me, (My, my, my, my, my, my, my, my)
You and me,
Nobody baby but you and me.

If you love a soul more than fame and gold, and that
soul feels the same about you,
It's a natural fact, there's no turning back, and here's
some advice to you:
You've got to say it's,

You and me, (Ohhh, oh, oh, oh, oh)
You and me,
Nobody baby but you and me. (Hey, hey, hey)

You and me, (My, my, my, my, my, my, my, my)
You and me,
Nobody baby but you and me.

When love is real, you don't have to show it.
When it is true, then everyone will know.
'Cause there'll be no one but

You and me, (Youuuuuuu)
You and me,
Nobody baby but you and me. (Hey, hey, hey)
You and me, (Ohhh, oh, oh, oh, oh)

You and me,
Nobody baby but you and me.

Do do do dooo do, woo woo
Do do do dooo do, woo woo
Do do do dooo do, woo woo
Do do do dooo do, woo woo

You and me baby.
