"Baby Be Mine"

I don't need no dreams when I'm by your side
Every moment takes me to paradise
Darlin', let me hold you
Warm you in my arms and melt your fears away
Show you all the magic that a perfect love can make

I need you night and day
So baby, be mine
(Baby, be mine)
And boy I'll give you all I've got to give
So baby, be mine
(Baby, be mine)
And we can share this ecstasy
As long as we believe in love
(Baby, be mine)

I won't give you reasons to change your mind
You are all the future that I desire
Boy I need to hold you
Share my feeling in the heat of love's embrace
Show you all the passion burning in my heart today
It's never gonna fade!

Baby, be mine
(Baby, be mine)
And boy I'll give you all I've got to give
So baby, be mine
(Baby, be mine)
You're everything this world could be
The reason that I live

Won't you stay with me until the mornin' sun
I promise you now that the dawn will be different
Lady can't you see that heaven's just begun
It's livin' here inside our hearts

There'll be no mountains for us to climb
(Baby, be mine)
This will be a love lasting for all time
Boy, you got to hold me
We can touch the sky and light the darkest day

Hold me, only you and I can make sweet love this way
There's no more I can say

So baby, be mine
(Baby, be mine)
And boy I'll give you all I've got to give
So baby, be mine
(Baby, be mine)
You're everything this world could be
The reason that I live
