People get ready, there's a train a-coming
You don't need no baggage, you just get on board
All you need is faith to hear diesels humming
You don't need no ticket, you just thank the Lord
People get ready for the train to Jordan
Picking up passengers from coast to coast
Faith is the key, open the doors and board them
There's room for all among those who love the most
Oh, there ain't no room for the hopeless sinner, no, no
Who went hard on mankind just to save his own
Have pity on those whose chances grow thinner
'Cause there's no hiding place against the Kingdom's
throne
Oh, so people get ready, there's a train a-coming
You don't need no baggage, you just, you just, you just
get on board
All you need is faith to hear diesels a-humming
You don't need no ticket, just thank the Lord
Oh, you don't need no ticket, you just thank the Lord
No, you don't need no ticket, you just thank the Lord
