There you go, raising your ugly head
I thought I put you behind me
Told you that I never want to see you again

Bite like a viper, venom to my heart
You've been lying and waiting
To tear my peaceful world apart

Hear me sing
No, oh no, not you again
Don't you know that you're not invited
But you keep on coming back

No, oh no, not you again
You're the person I used to be
Got to stop you in your tracks

Preying on my weakness
You want to kick me when I'm down
I don't like what I'm seeing
I'm myself when you're around

It's an all too familiar feeling
These memories from the past
I keep trying to run from you
But I'm getting? nowhere fast

I keep trying to run from you
But I'm getting? nowhere fast

No, oh no, not you again
Don't you know that you're not invited
But you keep on coming back

No, oh no, not you again
You're the person I used to be
Got to stop you in your tracks

[Unverified]

Oh, no, no, not you again
Oh, no, no, not you again

No, no, no, no, not you again

Oh, no, not you again
Don't you come back
Don't you know that you're not invited
But you keep on coming back

No, oh no, not you again
Don't you come back
You're the person I used to be
Got to stop you in your tracks

Oh, no, no, not you again
Don't you come back, now
Oh, no, no, not you again
Don't you come back, no

No, no, no, no, not you again
Don't you come back
Not you again
